

PRODUCT DATA SHEET

300 ENVIROWASH HYDROGEN PEROXIDE CLEANER

Sentinel 300 EnviroWash Peroxide Cleaner is a professional strength cleaner that is designed to clean, remove organic stains, including those caused by mold and mildew, brighten and lighten surfaces and eliminate odors. Sentinel's proprietary surfactant and Hydrogen peroxide formula lifts and oxidizes soils and odors instantly on a variety of surfaces. Hydrogen peroxide breaks down into water and oxygen, rinsing residue free. Sentinel 300 has excellent penetrating and lifting qualities without the need for accelerating products and it is not DOT regulated.

Application Information (Always follow product label instructions for best results)

USAGE GUIDELINES:

Read the direction and review the Safety Data Sheet prior to use.

Test in a small, inconspicuous area prior to using on soft goods and fabrics to ensure colorfastness.

PRECAUTIONS:

Do not mix with bleach or use on unrinsed surfaces previously cleaned with bleach. Not recommended for use on copper and brass.

Use and store in temperatures between 40°F - 90°F. Always store upright, the vented lid can leak if the container is placed on its side.

Follow good industrial hygiene practices and wear appropriate personal protective equipment including gloves, coveralls, and safety eyewear. Due to the level of Hydrogen peroxide in this product, contact with skin may temporarily lighten areas exposed to the product.

DILUTIONS:

Heavy Soils: Use at full strength

Moderate Soils: Dilute one (1) part 300 to two (2) parts clean water

Light Soils: Dilute one (1) part 300 to five (5) parts clean water.

DIRECTIONS:

Step 1: If necessary, dilute Sentinel 300 EnviroWash Peroxide Cleaner according to your needs and the dilution ratios to the left.

Step 2: Apply full strength or mixed solution by spraying, mopping or brushing onto the surface to be cleaned.

Step 3: Allow the product to foam and dwell on the surface for 5 - 10 minutes.

Step 4: Agitate the surface with a brush to remove the soils.

Step 5: Rinse with clean water.

WARRANTY

Use strictly in accordance with instructions for use. Buyer assumes all responsibility for safety and use not in accordance with label directions. Seller cannot control user's handling, use, or effect of use and therefore makes no warranty, expressed or implied, nor accepts any direct or consequential damages beyond the purchase price.

SPECIFICATIONS

Physical State:	Liquid
Appearance:	Clear
Color:	None
Odor:	Slight
pH:	6.5 - 8.0
Flash Point:	None to boiling
Boiling Point:	>212°F
Shelf Life:	24 Months
